

Minnesota Prairie Chicken Society

\$1000 Scholarship – 2024 Guidelines

- Minnesota Prairie Chicken Society (MPCS) will award one scholarship in the amount of \$1000 to an undergraduate college student who has completed at least three semesters (or the equivalent in trimesters/quarters) in wildlife sciences, natural resource management or closely related field.
- Applicants must have a grade point average of 3.0 or higher and plan on continuing studies in the field of wildlife science, natural resource management or closely related field (e.g., environmental science, ecology, forestry, fisheries management, conservation biology).
- Recipient will be chosen based on: A) scholastic and school achievement, B) community involvement, C) a 250 – 500 word essay describing their educational & career goals, and D) at least one letter of reference from an employer, professor, or school counselor.
 - References should address, among other things, why they feel the applicant would be likely to succeed in a wildlife science, natural resource management or closely related field.
 - Preference will be given to Minnesota residents and applicants who have worked or volunteered for an agency or organization in the wildlife sciences, conservation, environmental or natural resource fields.
- The scholarship selection committee will be comprised of at least three members of the MPCS Board. Successful selection will be announced to the student, college professor and the local area newspaper. The winning candidate will also be invited to the MPCS Annual Meeting to be held on April 20 in Crookston, MN.
- Scholarship application forms are available at the MPCS website: <https://www.prairiechickens.org/mpcs-scholarship-application> and completed applications should be returned to: MPCS Scholarship, Sara Vacek, 57368 490th St, Appleton MN 56208 or saravacek5@gmail.com, no later than March 15, 2024.
- Payment of scholarship will be made upon successful completion of the current semester or equivalent with proof from the institution of the student's enrollment. Payment will be made directly to the student. Previous applicants may reapply for a following year scholarship when the new scholarship guidelines are released.
